SUBJECT: SLOVENIA STILL FORMULATING POSITION ON BORATES

REF: USDOC 1282

11. (U) Econoff delivered reftel points to Tatjana Humar-Juric, staff member of the National Chemicals Bureau at the Ministry of Health. Juric thanked Post for the points. She stated that Slovenia has not yet publicly taken an official position on classification of borates and plans to wait until after the pre-meeting on February 16 to make a final decision.
